Tersano Inc.

Certificate Expiry Date 7 August 2027

Stabilised Aqueous Ozone (SAO®) Cleaning and Sanitising Systems

Food Zone Classification: FZP (Food Zone Primary)

iClean® mini

lotus® PRO

HACCP International Pty Ltd certifies the products listed above as generators of food-safe and suitable cleaning and sanitising liquids for use in food facilities that operate in accordance with a HACCP based Food Safety Programme.

The output liquid generated from the tersano lotus® PRO and iClean® mini is suitable for use as a cleaning and sanitising liquid for direct food contact providing it is used in strict accordance with tersano's operating instructions.

The equipment has been evaluated and found suitable for installation and use within the splash and spill zone of a food facility. All such equipment is to be operated, maintained and cleaned in accordance with the manufacturer's instructions and recommendations.

Licence Commencement 8 August 2025

Certificate Issue Date 15 August 2025 *RM*

HACCP International's evaluation and certification is strictly confined to matters of food safety or the operation of a HACCP based Food Safety Programme. Whilst all reasonable care is taken by HACCP International in its evaluation of the product(s) or services(s) described herein, HACCP International does not guarantee that every food safety risk in every application has been identified. No guarantee is offered or implied in the issuing of this statement.

Licence Agreement
